Cracking The Millionaire Code

Cracking The Millionaire Code-Robert G. Allen 2011-09-28 The ultimate tool for unleashing your inner entrepreneur and for achieving enlightened wealth. This is a step-by-step guide to cracking your personal millionaire code and turning your enlightened ideas into millions. It showcases real-life stories of men and women who discovered and capitalised on their own "million-dollar ideas", or MDIs. These MDIs, the authors contend, are right under our noses - from bottled water to Post-It notes to less well-known but highly lucrative ideas - if only we can crack our personal millionaire code that will lead us to wealth. Throughout the book there are inspirational stories of ordinary people who cracked their code and created extraordinary fortunes from a single idea, often in the face of severe challenges. Hansen and Allen show how to overcome personal fears, gather an amazing team, discover and soul-storm not one but dozens of million-dollar ideas, as well as incredible, enlightened ways to market ideas and then hundredfold them.

Nothing Down for Women-Robert G. Allen 2011-05-07 Have you ever dreamed about changing your life and working for yourself -- finding financial freedom and loving what you do? Real estate investing is a great way for women to work for themselves and achieve life-transforming financial success. But how can you get into it with your busy life? If you worry that you wouldn't possibly have the time to learn the ins and outs -- maybe you're working crazy hours, or a working mother juggling kids and a career -- thenNothing Down for Womenis for you. This remarkably fast and easy read is written especially for busy women on the go. Broken down into short chapters, each of which can be fully digested in just five minutes,Nothing Down for Womenives you incredibly simple steps that will get you started in real estate investing -- whether full-time or on the side -- and on the road to remarkable financial success in just days. All-time bestselling real estate author Robert G. Allen, who wroteNothing Down-- the most successful book ever written on real estate investing -- teams up with Karen Nelson Bell, one of Allen's most successful proteges, to show you the way. When Nelson Bell started using Allen's methods, she made her first million in less than six months. Now she teaches seminars herself. Combining her insider's secrets about how women can put any of their strengths in the real estate market with Allen's proven strategies for success, they tell you everything you need to know about how to: Buy a house without paying any of your own money down Buy a house without getting a loan Boost your credit savviness for better borrowing Identify a great property that will make you a big return Negotiate with real estate agents, buyers, and sellers Spot a motivated seller and close a deal fast Avoid common pitfalls Manage your properties without fear The authors provide scripts for talking to buyers and sellers, templates for writing a great sales ad, methods for doing quick and easy financial calculations, and handy checklists of to-dos. They also reveal the powerful secrets of women's advantages in the real estate world and how busy women -- even working moms -- can fit these quick and easy steps into their hectic schedules. Nothing Down for Womenis the only book a woman needs to get started winning, and winning big, in the real estate game.

Nothing Down for the 2000s-Robert G. Allen 2004-09-13 With more than a million copies in print, Robert Allen's Nothing Down for the '90s has probably helped more people achieve success in real estate than any book in history. Countless numbers of his readers are now financially independent and many actual millionaires attribute their wealth to his techniques. Why has this blockbuster bestseller been so successful? The answer is simple: it works! Now, in one of the most practical books you'll ever read, Robert Allen has created effective new wealth strategies for investing in real estate. Real estate remains the one reliable investment in which profits can be made consistently, no matter where you live. Whether employment figures and stock prices are high or low, the real estate market never dries up -- it is one of the most dynamic income-producing vehicles ever created. The demand for housing will continue to be strong in most areas of the country for the foreseeable future. There, will, of course, always be plenty of foreclosures, which are great opportunities to purchase properties cheaply. And, finally, mortgage qualification today is simpler than ever, with new mortgage packages that did not even exist twenty years ago. Nothing Down for the 2000s shows you how to locate the best buys, deal with real estate agents, and manage properties, all with little -- or no -- money down. Discover step-by-step techniques and dynamic strategies to: • Use real estate to build monthly income • Finance bargain properties for equity or cash flow • Guarantee and secure your retirement • Find and profit from foreclosures before they are publicly listed • Sell and trade for maximum gain • Increase property value • Use owner financing to create opportunities • Obtain direct, legal tax cuts • Profit from conversions • Develop effective negotiation techniques, and much more Excellent for beginners or experienced investors, Nothing Down for the 2000s is the key to generating low-risk, high-profit wealth and to a potential future of security and financial independence.

The One Minute Millionaire-Mark Victor Hansen 2009-08-04 Two mega-bestselling authors with decades of experience in teaching people how to achieve extraordinary wealth and success share their secrets. Mark Victor Hansen, cocreator of the phenomenal Chicken Soup for the Soul series, and Robert G. Allen, one of the world's foremost financial experts, have helped thousands of people become millionaires. Now it's your turn. Is it possible to make a million dollars in only one minute? The answer just might surprise you. The One Minute Millionaire is an entirely new approach, a life-changing "millionaire system" that will teach you how to: • Create wealth even when you have nothing to start with. • Overcome fears so you can take reasonable risks. • Use the power of leverage to build wealth rapidly. • Use "one minute" habits to build wealth over the long term. The One Minute Millionaire is a revolutionary approach to building wealth and a powerful program for self-discovery as well. Here are two books in one, fiction and nonfiction, designed to address two kinds of learning so that you can fully integrate these life-changing lessons. On the right-hand pages, you will find the fictional story of a woman who has to make a million dollars in ninety days or lose her two children forever. The left-hand pages give the practical, step-by-step nonfiction strategies and techniques that actually work in the real world. You'll find more than one hundred nuts-and-bolts "Millionaire Minutes," each one a concise and invaluable lesson with specific techniques for creating wealth. However, the lessons here are not just about becoming a millionaire—they are about becoming an enlightened millionaire and how to ethically make, keep, and share your wealth. Whether your goal is less than a million dollars or that amount many times over, there's never been a better time to achieve abundance. Let The One Minute Millionaire show you the way.

How Come That Idiot's Rich and I'm Not?-Robert Shemin 2008-03-04 In How Come That Idiot's Rich and I'm Not? bestselling author Robert Shemin reveals for the first time the inner-circle secrets of the mega-wealthy. Have you ever wondered why some people attract wealth while others stay financially trapped and in debt? The key is wealth-friendly, upside-down thinking. Stick with all the old moneymaking rules and stay broke. Break them and get rich. This is the book that shows you how. We've all read about the college kid who made millions on a brainstorm, or the couple who made a fortune in real estate, or the guy in his thirties who waved good-bye to his boss and now lives on his investments. But until now, how they did it—the rules they followed or flouted, the tricks they stumbled on—have remained a mystery. That's about to change. Whether you've been trying to get rich but haven't quite made it yet, or just need the confidence to dream big, this is the book for you. As experienced as Shemin is at showing high-net-worth individuals how to get richer, his real love is helping self-described "financial disasters" earn millions. And he uses his own odds-defying story to illustrate the outside-the-box thinking that gets the job done. Here, you'll learn how to: • set only one powerful success goal—and make it a big one • play while your money goes to work • stop building someone else's business and start building your own • live and think like a millionaire while you're becoming one • use the power and "smarts" of other Rich Idiots to help you join the Rich Idiot Club • add OPI (other people's ideas), OPT (other people's time), and OPE (other people's experience) to do less and make more • tap into timeless secrets that unlock the energy and spiritual power of money Learn which three assets you must own to become a Rich Idiot and how to obtain them with little or no money of your own. Learn why Rich Idiots outearn almost all the so-called wealth experts and how you can, too. Above all, learn how doing just one thing a day will bring you to your big goal. In this book, the first to show you what it really takes to achieve financial abundance, Shemin illustrates in a fun, witty way how going against the grain is, in fact, the surest way to gain. Spend just a few pages with Robert and his Rich Idiot friends and you'll be convinced that "if they could do it, I can do it."

Multiple Streams of Internet Income-Robert G. Allen 2010-12-13 Following the success of the bestselling Multiple Streams of Income, Multiple Streams of Internet Income took the idea of making money on the Internet to the next level, by revealing how to deliver a marketing message faster, cheaper, and to a larger number of potential customers. This new updated edition includes the same wisdom that made Allen one of the most influential financial advisors in the world, but also features updated information on everything readers need to know. The book features the original seven powerful methods that average people can use to make money on the Internet, and covers such topics as taking offline products online, niche marketing, successful Web-based business models, information marketing, affiliate programs, and more. There's plenty of new material in this Second Edition, including coverage of new Federal and state laws covering spam and how to work around much of the new anti-spam technology active on the Internet. All the Web sites and online resources featured in the book have also been updated.

Multiple Streams of Income-Robert G. Allen 2011-01-19 In Multiple Streams of Income, bestselling author Robert Allen presents ten revolutionary new methods for generating over \$100,000 a year—on a part-time basis, working from your home, using little or none of your own money. For this book, Allen researched hundreds of income-producing opportunities and narrowed them down to ten surefire moneymakers anyone can profit from. This revised edition includes a new chapter on a cutting-edge investing technique.

How to Make the Rest of Your Life the Best of Your Life-Art Linkletter 2007-12-02 Baby Boomer Alert Get ready for the next prime of your life! Soul Currency-Ernest D. Chu 2010-11-30 In tough times, we look outside ourselves for things to change instead of looking inward, where true abundance resides. It's tempting to downplay important values like generosity, integrity, and intuition. These niceties can take a backseat because we think the world needs to change before we can find wealth. But they are what make it possible to find prosperity, no matter what happens in the world around us. These inner traits help us reach our outer goals. Ernest Chu's transformational concept of "soul currency" refers to both something we use to exchange value (as with money) and the circulation of a divine force in our lives. Chu's own example, as an entrepreneur who pulled himself out of crushing debt, shows his practical, ready-to-implement principles in action. Soul currency bridges the material world of finance and the invisible world of Spirit, allowing abundance to come to us and flow through us. When we tap into the creative force of soul currency, we can experience unprecedented abundance and fulfillment.

Creating Wealth-Robert G. Allen 2006-08-07 Popular speaker, multimillionaire, and author of the all-time bestselling real-estate book Nothing Down, Robert G. Allen knows how to bring you financial success. With his seminars sweeping the nation, Allen is at the cutting edge of strategic wealth creation now more than ever. And in this completely revised edition of his classic bestseller Creating Wealth Allen gives you the basic principles that you need to stop thinking poor and start growing rich. Moving beyond just real estate, Allen goes straight to the core of people's inner motivations and beliefs about money to give you all the fundamentals of wealth creation. By developing a wealthy mind-set, anyone can take off into financial self-reliance -- and Allen shows you how. He explains the ways in which most of us have been programmed to think that only saving is good and debt and risk are bad, so that in our efforts to gain security, we cheat ourselves out of getting rich. The key to changing that mind-set is Allen's unique integration of real estate with other wealth-generating investments. In his trademark, easy-to-understand style Allen spells out all his practical applications and shows you how to: Take advantage of recent tax laws Use leverage to multiply holdings while minimizing risks Benefit from high-yield discount mortgages Acquire long-term profits in gold and silver coins Set up corporations and trusts to protect assets Find the highest rate of return with the greatest liquidity As Robert Allen has proved in his own life -- becoming a multimillionaire well before he was thirty-five -- it doesn't matter how much or how little money you have when you start as long as you understand the right principles -- timeless principles that can make you a fortune.

Cracking The Millionaire Code

The Four Maps of Happy Successful People-Robert G. Allen 2016-06-21 Our brains respond best to images, so why do the vast majority of books about personal and professional success contain mostly lists and steps? The Four Maps of Happy, Successful People presents a visual approach to help you get unstuck, stay on target, and reach your ideal lifestyle—personally and professionally. With startling honesty and powerful insights, #1 New York Times bestselling author Robert G. Allen reveals a simple yet profound system for living with clarity, purpose, and action.

CEO Logic-Ray Johnson 1998-05-01 This book starts with the foundations of business success: the development of a business philosophy that works for you, and the strategic application of that philosophy in all areas of your endeavor.

The Money Code (Chinese)-H. W. Charles 2013-11 Simplified Chinese Translation Why Are So Many Jews Millionaires? Jews are estimated to make up less than 1% of the world's population, yet approximately 25% of the world's billionaires are Jewish. Jews are always found on lists of the world's richest people. In 2009, 139 of the Forbes 400 were Jewish. Jews also comprise a very large number of history's most important figures, people who have had a profound impact on humanity. Approximately 35% of Nobel Prizes have been awarded to Jews. No other ethnic group has even come close to matching the abilities and accomplishments of Jews. Since such a large percent of the wealthiest and most successful people in the world are Jewish, a common question the world over is, "Why are so many Jews so wealthy?" Their secret lies not in their genetics or intelligence, as some have believed, but in their religion. Many of the wealthiest Jews use a code based on Judaism. You do not need to convert to Judaism or believe in religion to use The Money Code. "Religion has preserved history's greatest wisdom teachings," says religious studies scholar Huston Cummings Smith. There are various methods of wealth creation; however, many are short-lived, unfulfilling, or hazardous. The ideal circumstance is to create long-lasting wealth, accompanied by peace of mind and fulfillment. This book will reveal the code that many Jews understand and use to their great advantage. The Money Code can be used by absolutely anyone to achieve long-term wealth and success in life.

What a Wonderful World-Marcus Chown 2013-10-01 With wit, colour and clarity, What A Wonderful World quickly and painlessly brings us up to speed on how the world of the 21st century works. From economics to physics and biology to philosophy, Marcus Chown explains the complex forces that shape our universe. Why do we breathe? What is money? How does the brain work? Why did life invent sex? Does time really exist? How does capitalism work - or not, as the case may be? Where do mountains come from? How do computers work? How did humans get to dominate the Earth? Why is there something rather than nothing? In What a Wonderful World, Marcus Chown, bestselling author of Quantum Theory Cannot Hurt You and the Solar System app, uses his vast scientific knowledge and deep understanding of extremely complex processes to answer simple questions about the workings of our everyday lives. Lucid, witty and hugely entertaining, it explains the basics of our

essential existence, stopping along the way to show us why the Atlantic is widening by a thumbs' length each year, how money permits trade to time travel why the crucial advantage humans had over Neanderthals was sewing and why we are all living in a giant hologram.

The Hidden History of Monopolies-Thom Hartmann 2020-08-25 "This is the most important, dynamic book on the cancers of monopoly by giant corporations written in our generation."—from the foreword by Ralph Nader American monopolies dominate, control, and consume most of the energy of our entire economic system; they function the same as cancer does in a body, and, like cancer, they weaken our systems while threatening to crash the entire body economic. American monopolies have also seized massive political power and use it to maintain their obscene profits and CEO salaries while crushing small competitors. But Thom Hartmann, America's #1 progressive radio host, shows we've broken the control of behemoths like these before, and we can do it again. Hartmann takes us from the birth of America as a revolt against monopoly (remember the Boston Tea Party?), to the largely successful efforts of both Presidents Theodore and Franklin Roosevelt and other like-minded leaders to restrain corporations' monopolistic urges, to the massive changes in the rules of business starting during the "Reagan Revolution" that have brought us to the cancer stage of capitalism. He shows the damage monopolies have done to so many industries: agriculture, healthcare, the media, and more. Individuals have taken a hit as well: the average American family pays a \$5,000 a year "monopoly tax" in the form of higher prices for everything from pharmaceuticals to airfare to household goods and food. But Hartmann also describes commonsense, historically rooted measures we can take—such as revitalizing antitrust regulation, taxing great wealth, and getting money out of politics—to pry control of our country from the tentacles of the monopolists.
