Life on the Leash-Victoria Schade 2018-09-18 Must Love Dogs meets My Not So Perfect Life in this hilarious romantic comedy about a dog trainer who's a master at managing her four-legged friends, but when it comes to her love life...let's just say she still has a lot to learn. Cora Bellamy is a woman who thrives on organization. She's successfully run her own dog training business for years, perfectly content with her beloved rescue pitbull as the main man in her life. She's given everything to her business, and her lack of social life (or slobber-free clothes) has been completely worth it. But all that changes when she meets Charlie Gill, the hottest client she's ever had. The only problem? Charlie's taken. Luckily, Cora has a new friend—the sweet, lovably geeky Eli Crawford. More loyal than a retriever, he's always there to help Cora with her problems, including her love life. That's why she's shocked to realize that even as things start heating up with Charlie, there might just be a more-than-friends spark between her and Eli, too. As Cora's life gets more tangled up than a dogwalker's leashes—and as she prepares to audition for a dog-training TV show that may irrevocably change her entire life—she has to figure things out before it all goes straight to the dogs. Charming, witty, and warm-hearted, Life on the Leash inspires you to cheer

for every underdog looking for love.

Michel, Michel-Robert Lewis 1967 An emotional novel about a young Jewish boy whose parents die at the hands of the Nazis but he is saved by a Catholic Frenchwoman and raised in her faith. When the war ends Michel's aunt in Israel claims him but "Maman Rose" Michel's foster French mother refuses to give him up and the battle is soon joined. What begins as a personal quarrel in a small provincial town slowly and inexorably grows into a cause célèbre-- involving the hierarchy of the Church and the leaders of French Jewry, as the boy goes into hiding passed from one secret refuge to another by Maman Rose and by the priests and nuns. The conflict that divides France-- reviving old passions and stirring up anti-Semitism and anticlericalism-- is played out in the heart of the child himself. But in the end it is up to young Michel, torn and devastated by opposing loyalties and loves, who must decide his own fate.
