**Love In Crazy Times**-KV Gautam 2014-03-24 Love in Crazy Times is a gripping tale of search for love and freedom, braving heart-breaks, evil bosses and family pressure. The protagonist Amit is a daring middle class guy who chases both love and dream of starting his own business. He is faced with the hypocritical Indian society and the corrupt business class on his path. His victory is not easy and comes after a long trail of personal and professional setbacks. The story also shows how India, after the economic liberalization, is offering immense opportunities as well as challenges to young people. It's also about the cultural gap between a small town and a metro, and how parents find it difficult to adjust in a fast changing nation. The story, narrated in the first person by Amit, is set in Delhi from the period of 2005 to 2011. The story follows life of Amit, a small town boy armed with optimism and confidence, who comes to Delhi in search of a job. The story also narrates personal and professional struggles of his friends, Suraj and Shantanu, who came to Delhi from Lucknow and Kolkata respectively. It's a racy and pacey story that has elements of romance, humour, emotions, drama and a bit of social message.

**365 Ways to Drive a Liberal Crazy**-James Delingpole 2011-01-04 Start every day off RIGHT! Try one of our 365 ways to drive a liberal (even more) crazy. Whether you quote from the Constitution (what, that old relic?) or point out the facts about global warming (as in, the planet has been steadily cooling for the past decade), this is one sure-fire way to get under a lefty's (thin) skin.

**Apocalips**-S.B.Williams 2016-11-04 If you were to record your verbal transactions, every casual and intimate conversational exchange, to be reviewed at the end of the day, what self-discoveries would you make? There is an art form in reflection. It provides a mirror for both objective and subjective analysis. Apocalips is the communicative implosion of the human species. It is a beautifully horrific, awfully realistic descent into our hell on earth, unearthing the traits of human character simply by listening. Apocalips exposes the psychological scars and the scabs then savagely tears them away, revealing what lies beneath our speech. It uncovers the schismatic existence heard in dialogue on a subway train, in private settings, at work, conversation in passing, social groups, and telephone or online networks. The excerpts here are a five-year compilation of spoken exchanges, monologues that provide a brief glimpse into the daily lives of our human family. These voices are raw, gritty, explicit, crude, unpolished, fragmented, and hauntingly teetering along the edgefree. Welcome to the festering truths and the miraculous lies, shaping, altering our conscience, clothing the soul. This book breaks nearly all literary and grammatical rules in an attempt to show how our lives are connected, woven into a social fabric. Are we truly free-thinking beings with the gift of choice or sorrowfully victimized human products, enslaved to an environment of limited selection? Are we progressing only with time and not human interaction? This Palace of Exile shows that, even in our truest moments, we can be walking contradictions. In an age of vast technology, where the speed and methods of communicating has improved immensely, this book bares our flaws. Left naked, what we correspond still surrenders to a Babel weve created on earth. Often, we find ourselves damaged or broken, seldom unscathed by our lifes nightmares. In the end, Apocalips is a hope to make mankind better by revealing what we are and soon becoming.

**Dogeaters**-Jessica Tarahata Hagedorn 2003 Hagedorn's remarkable play based on her best-selling novel.

**Hardcore**-Jonathan Hall 2004-06-01 Four guys are trying hard to make it in the bizarre world of British porn. For Robert, rapidly approaching 25, being in a porn film's something that's always appealed, up there with paragliding, to be ticked off 'the wish list' before it's too late. To Kevin, committed struggling actor, well, it's just work -a way of showing his dramatic versatility: ' a straight man in a gay film, what could be more versatile than that?' Martin, new to London, new to the scene, sees it as a bit of a laugh with a shag thrown in. It's left to Craig, veteran of two previous films to put them right: to dispel their illusions about the raunch and the glamour, and to prepare the boys for the huge gulf between the watching and making of pornography.

**Give Me Liberty**-Naomi Wolf 2008-09-16 As the practice of democracy becomes a lost art, Americans are increasingly desperate for a restored nation. Many have a general sense that the "system" is in disorder -- if not on the road to functional collapse. But though it is easy to identify our political problems, the solutions are not always as clear. In Give Me Liberty: A Handbook for American Revolutionaries, bestselling author Naomi Wolf illustrates the breathtaking changes that can take place when ordinary citizens engage in the democratic system the way the founders intended and tells how to use that system, right now, to change your life, your community, and ultimately, the nation.

**Insane Bastards**-Wade Garrett 2018-04-25 Two idiots, Leonhard "Rocky" Krauss and Byron "Twig" Schlaeger, escape from a mental institution, Cedar Hill Sanitarium, and go on a murderous rampage. Rocky is a large man suffering from gigantism, and Twig is a foul-mouthed and perverted midget. Separately, they had always been mistreated and bullied, but together, they are unstoppable, unleashing sadistic and barbaric acts of violence on the assholes of society. Warning! This is an extreme-horror/splatterpunk story that contains adult content, including, but not limited to: profanity, sexuality, brutality, and obscenities. If you're not a seasoned extreme-horror reader, it's highly advised not to embark on this journey. It will save you distress and me a negative review.

**Philosophy, Pussycats, & Porn**-Stoya 2018-06-24 Philosophy, Pussycats, & Porn is a series of essays, blog posts, and stories surveying more than a decade of poignant journalistic accounts from internationally recognized writer, actor, and pornographer Stoya. Stoya provides crucial examinations of systemic biases toward sex workers and how sexuality is reflected in society. Stoya often points her journalistic lens inward, providing us with personal, illustriously detailed stories of her life, her collaborators, and how she has built a flourishing media haven in the face of a culture that is still learning how to handle public discourses on sex work

**Where Carnival**-Shannon Bell 1995 Nonfiction. WHORE CARNIVAL is Shannon Bell's feminist genealogy of prostitution, linking the ancient Greek "hetaera"-the holy courtesan - to the sex industry workers of post-modern Babylon. In these interviews, pleasure texts and "cunteptual" essays you'll meet the Art Tart and the Slut Goddess, the Scarlet Harlot and the Marquesa, the Dean of Students at the Academy For Boys Who Want To Be Girls, the Mistress of the House of Domination, and many more magical whores and hustlers, sex artists and porno-politicos, all of them with an eye - or some other body part - on the orgiastic issues of sexual and social insurrection.

**Louder Than Hell**-Jon Wiederhorn 2013-05-14 The definitive oral history of heavy metal. Louder Than Hell by renowned music journalists Jon Wiederhorn and Katherine Turman includes hundreds of interviews with the giants of the movement, conducted over the past 25 years. Unlike many forms of popular music, metalheads tend to embrace their favorite bands and follow them over decades. Metal is not only a pastime for the true aficionados; it's a lifestyle and obsession that permeates every aspect of their being. Louder Than Hell is an examination of that cultural phenomenon and the much-maligned genre of music that has stood the test of time. Louder than Hell features more than 250 interviews with some of the biggest bands in metal, including Black Sabbath, Metallica, Megadeth, Anthrax, Slayer, Iron Maiden, Judas Priest, Spinal Tap, Pantera, White Zombie, Slipknot, and Twisted Sister; insights from industry insiders, family members, friends, scenesters, groupies, and journalists; and 48 pages of full-color photographs.

**Cinema Sewer**-Robin Bougie 2007 A mind-melting compilation of gonzo writing, illustration and comics about the most insane, sexy, awkward, cheesy, hilarious, upsetting and jaw-dropping movies in the history of film, 'Cinema Sewer' joyously celebrates the sleaziest aspects of the moviegoing experience, whilst delving deep into bizarre cinematic history.

**Impossible Princess**-Kevin Killian 2020-12-07 "Whatever his subject matter, Killian maintains full authority—offering up a homoerotic interpretation of Flannery O’Connor’s A Good Man Is Hard to Find and a brilliant imagined history of Hank Williams. Here, under the author’s careful control and easygoing charisma, everything seems up for grabs, and almost anything seems possible.”—Time Out New York Impossible Princess is the third collection of gay short fiction by PEN Award-winning San Francisco-based author Kevin Killian. A member of the “new narrative” circle including Dennis Cooper and Kathy Acker, Killian is a master short story writer, crafting campy and edgy tales that explore the humor and darkness of desire. A former director of Small Press Traffic and a co-editor of Mirage/Periodical, Killian co-wrote Jack Spicer’s biography, Poet Be Like God, and co-edited three Spicer books, including My Vocabulary Did This To Me: Collected Poems. His latest book, Action Kyle, is a collection of poems devoted to Kylie Minogue.

**Netflixd**-Gina Keating 2012-10-11 Netflix has come a long way since 1997, when two Silicon Valley entrepreneurs, Marc Randolph and Reed Hastings, decided to start an online DVD store before most people owned a DVD player. They were surprised and elated when launch-day traffic in April 1998 crashed their server and resulted in 150 sales. Today, Netflix has more than 25 million subscribers and annual revenues above \$3 billion. Yet long- term success-or even survival-is still far from guaranteed. Journalist Gina Keating recounts the absorbing, fast-paced drama of the company's turbulent rise to the top and its attempt to invent two new kinds of business. First it engaged in a grueling war against video-store behemoth Blockbuster, transforming movie rental forever. Then it jumped into an even bigger battle for online video streaming against Google, Hulu, Amazon, and the big cable companies. Netflix ushered in such innovations as DVD rental by mail, a patented online queue of upcoming rentals, and a recommendation algorithm called Cinematch that proved crucial in its struggle against bigger rivals. Yet for all its success, Netflix is still a polarizing company. Hastings is often heralded as a visionary-he was named Business Person of the Year in 2010 by Fortune-even as he has been called the nation's worst CEO. Netflix also faces disgruntled customers after price increases and other stumbles that could tarnish the brand forever. The quest to become the world's portal for premium video on demand will determine nothing less than the future of entertainment and the Internet. Drawing on extensive new interviews and her years covering Netflix as a financial and entertainment reporter, Keating makes this tale as absorbing as it is important.

**The Political Uses of Motherhood in America**-Cynthia Stavrianos 2014-11-13 As various contemporary groups use the language of motherhood to advance their political causes, maternal rhetoric has become very visible in the American political discourse of late. Yet while it has long been recognized that women have invoked their political status as mothers to organize and authorize their political action in the past, scholars have only just begun to examine the recent reemergence of this frame. This book describes the wide variety of political causes that mothers are organizing to address, and analyses whether ideologically conservative organizations are disproportionately represented among groups using motherhood to mobilize women. Stavrianos examines the use of maternal discourses in closer detail through a comparative case study of five groups using motherhood as their primary frame for collective political action: Mothers Against Drunk Driving, Million Mom March, Mothers Against Illegal Aliens, Mainstreet Moms Organize or Bust, and Mothers in Charge. Scholars interested in women and politics, interest group politics, social movements, political behavior, women’s studies, motherhood studies, and framing strategies will find this book noteworthy, as it adds to a growing body of literature exploring the use of motherhood as an emerging political frame, and to the interdisciplinary discussion of contemporary discourses of motherhood.

**Sexual Fascism**-Garry Otton 2001 A police officer arresting a man with a snake down his trousers; the female doll with a penis; a woman warned to remove a display of male dolls too close together in her window; a spray to detect traces of sex... But is there another, more sinister side to Scotland's portrayal of sexuality by the media? Along with campaigns like 'SmutWatch' and 'Name and Shame' there have been moral campaigns led by the Church, sidestepping spirituality on the road to political ambition. From the campaign to prevent a popular exhibition of erotica in Glasgow to one preventing repeal of the notorious Clause 28 in Scotland. The Church has exploited its special relationship with the media to ride roughshod over the human rights of one minority, while twisting and suppressing the diverse expression of sexuality in everyone else.

**Tropic of Cancer**-Henry Miller 2013-02-19 A stream-of-consciousness story of a poverty-stricken young American, living in Paris.

**Sleazoid Express**-Bill Landis 2002-12-03 Warning: Watch your wallets and stay out of the bathroom! In a bygone era, when Times Square was crammed with porn shops, gun stores, and drug pushers, disenfranchised moviegoers flocked to the grindhouses along 42nd Street. If the gore epics, women-in-prison films, and shockumentaries showcased within their mildewed walls didn't live up to their outrageous billing, the audience shouted, threw food, and even vandalized the theaters. For dedicated lovers of extreme cinema, buying a movie ticket on the Deuce meant putting your life on the line. Authors Bill Landis and Michelle Clifford came to know those grindhouses better than anyone else, and although the theaters were gone by the mid-1980s, the films remained. In Sleazoid Express, Landis and Clifford reproduce what no home video can -- the experience of watching an exploitation film in its original fight-for-your-life Deuce setting. Both a travelogue of the infamous grindhouses of yore and a comprehensive overview of the sleaze canon, Sleazoid Express offers detailed reviews of landmark exploitation classics and paints intimate portraits of directors whose notorious creations played the back end of triple bills for years on end. With wit, intelligence, and an unflinching eye, Landis and Clifford offer the definitive document of cinema's most intense and shocking moments as they came to life at a legendary place.

**Give Me a Man and Give Me a Woman**-Lisa Vickers 2021-01-28 Warning: This ebook contains very explicit descriptions of sexual activity and includes rough sex, first lesbian sex, lesbian seduction, group sex, and more. Only mature adults who won't find that offensive should read this collection. 1. Sabrina, the Camera, and My Backdoor: My Rough First Anal Sex Experience by Lisa Vickers When my friend confessed to me that she was a hardcore porn starlet, I was floored. That was nothing compared to how shocked I was when she asked me to join her on a porn shoot! Hell, I'd never done anything like that before, and I was amazed that she would ever ask. I don't know why I agreed to do it but I know I regretted it terribly when the shoot happened and the guy there pushed into my ass! It was the absolute worst pain I'd ever experienced in my life. So why did I end up enjoying my first anal sex? Go figure. 2. Making Jacob Watch: My Lesbian Tryst with Laura by Constance Slight An FFM... Well, Mostly FF... Ménage a Trois Story I had a plan to drive my husband crazy and I couldn't imagine anything that would drive him crazier than making him watch as the beautiful brunette and I explored each other's body right in front of him and didn't let him do anything! Next time, we'll tie him up! 3. Threesome in the Dorm Room: A College Ménage a Trois with First Anal Sex by Cassie Hacthaw An Explicit Erotica Story Gail was surprised when Angie kissed her but what she thought first and foremost was that it had to be the corniest and most cliché thing in the world. She and Angie were freshmen in college. It was the time and place for a first lesbian experience if all of the stereotypes were right. She loved the kiss, though, and thought she could live with the unoriginality of the situation. That was when Angie's boyfriend showed up, and Gail's first lesbian experience turned into a threesome! 4. Taylor's Left Out (But His Slut Wife Joins In) by Regina Walters An FFM Threesome Sex Erotica Story When my best friend Kennedy came by for a barbecue with me and my husband, her husband was supposed to come as well. Unfortunately, Taylor got stuck at work. I made an offhand comment and before I knew it, my husband and I were right in the middle of a threesome with my best friend! It was my first lesbian sex and it was hot as hell! 5. Threesome on the Patio: An FFM Ménage a Trois Erotica Story by Susan Fletcher I was just sunbathing with my best friend when my co-worker David showed up. That would have just been normal if both of us weren't naked. That would have just made it awkward if Danielle hadn't decided to flirt with him. That would have just been a bit crazy and irritating if she hadn't told him to come closer. That would have just been none of my business if she hadn't suddenly kissed me. That would have just surprised me if David hadn't been watching. That would have been all if I hadn't suddenly found myself lifting my hand and wiggling a finger at him to make him join us. That would have been... well, that was actually all it took to make things spiral out of control.

**Earth Fathers Are Weird**-Lyn Gala 2019-04-13 Captain Maxwell Davis and his entire unit scrambled to engage alien ships over Iowa. The aliens snatched him out of his destroyed jet before they continued on their interplanetary hot pursuit. Then they informed Max that Earth was too far outside regular shipping lanes to return him to his planet. So Max ends up in an alien spaceport looking for work. To afford a ticket home he can either spend three hundred years working with linguists to improve the computer's questionable ability to translate English or he can take a job as a nanny for an unpopular alien. That way he can afford the ticket in four years. The problem is that the computer may have mistranslated the word "nanny" and there might be a reason an alien is willing to pay such a high fee.

**Letters from a Friend in Paris**-Anonymous 2019-06-06 The friend in Paris is Harry. Harry Hargrove, photographer. Young, beautiful women come to Harry's studio to have their portrait taken, but while there, one thing leads to another, and randy Harry's life becomes one big Parisian orgy. Before internet porn, before porn videos, before porn movies, people lustng for raunchy, X-rated entertainment read pornographic books and magazines. Victorian and Edwardian England had its own adult entertainment industry - countless erotic novels were put out by shady publishers, some books were printed by the authors themselves, and most of the writers were anonymous. Many of these 19th century books are surprisingly kinky, and some of them may be quite offensive to modern day readers - in more ways than one. The anonymously written "Letters from a Friend in Paris" was first published in 1874. This novel is a great example of Victorian erotica.

**Ethical Porn for Dicks**-David J. Ley 2016-11-07 Our media is filled with confusing, polarizing messages about the dangers of porn, while at the same time sexually explicit images are pronounced in advertising and entertainment. Using a natural question/answer format for people feeling fear and shame about porn use, this accessible, funny, and well-informed book is the first one to offer men a nonjudgmental way to discover how to view and use pornography responsibly. David J. Ley, PhD, is an internationally recognized expert on issues related to sexuality and mental health. He has authored two books, published in the Los Angeles Times and Playboy, and appeared on television with Anderson Cooper and Dr. Phil.
