*Betrayal in the City*, first published in 1976 and 1977, was Kenya's national entry to the Second World Black and African Festival of Arts and Culture in Lagos, Nigeria. The play is an incisive, thought-provoking examination of the problems of independence and freedom in post-colonial African states, where a sizeable number of people feel that their future is either blank or bleak. In the words of Mosese, one of the characters: "It was better while we waited. Now we have nothing to look forward to. We have killed our past and are busy killing our future."-- Page 4 of cover.

**Abingdon Old Testament Commentaries: Hosea, Joel, Amos, Obadiah, Jonah, Micah-** Daniel J. Simundson 2011-09-01 The Abingdon Old Testament Commentaries provide compact, critical commentaries on the books of the Old Testament for the use of theological students and pastors. The commentaries are also useful for upper-level college or university students and for those responsible for teaching in congregational settings. In addition to providing basic information and insights into the Old Testament writings, these commentaries exemplify the tasks and procedures of careful interpretation to assist students of the Old Testament in coming to an informed and critical engagement with the biblical texts themselves. The prophetic books gathered together in the book of the Twelve are sometimes called the "minor" prophets because of their relatively small size when compared with Isaiah, Jeremiah, and Ezekiel. They are often neglected, at least partly because their words of

judgment make the reader uncomfortable. Yet they have considerable theological and ethical value--for their call for social justice (especially Amos and Micah), their insights about the passionate love of God (in Hosea), God's grace and forgiveness (Jonah, Hosea, and elsewhere), and the finality of hope, even in the face of terrible catastrophes.

Truemen scorn the shape-shifting unmen for their odd, humble ways, and envy their power over the elements. Mujar do not use their powers for good or evil, they simply exist, immortal and apparently purposeless. Now a scourge is

sweeping the land, armies of mounted warriors who cannot be defeated are wiping out Truemankind without mercy. They are known as the Black Riders, but no one knows where they come from or why they seem bent on exterminating every man, woman and child. Talsy traps the Mujar with gold, which has an odd effect on them, to make him help her, but her father intends to throw him in a Pit, from which he will be unable to escape. Talsy does not believe the Mujar deserves such a fate, so she frees him and begs him to take her with him on his journey. He agrees, and they set off across Shamarese, continuing his quest to find an old hermit's lost son. There is far more at stake than Talsy realises, however, and she has innocently stumbled upon the last free Mujar, who has the power to decide the fate of her race.

**The Caucasian Chalk Circle**-Bertolt Brecht 1999 "The Caucasian Chalk Circle is a parable inspired by the Chinese play Chalk Circle. Written at the close of World War II, the story is

set in the Caucasus Mountains of Georgia, and retells the tale of King Solomon and a child claimed by two mothers. A chalk circle is metaphorically drawn around a society misdirected in its priorities. Brecht's statements about class are cloaked in the innocence of a fable that whispers insistently to the audience." "Eric Bentley's English versions are widely viewed as the standard renderings of Brecht's work, ensuring that future readers will continue to come in close contact with this playwright who introduced a new way of thinking about the theater." "Bertolt Brecht (1898-1956) is one of Germany's best-known playwrights. His social critiques, including *The Good Woman of Setzuan*, *Mother Courage and Her Children*, and *The Threepenny Opera*, resonate with modern audiences and continue to be frequently performed."--BOOK JACKET.
